THE ART OF NORDIC BOATS

BOOT Düsseldorf 2023

PRESS RELEASE 18<sup>th</sup> Jan 2023 – Embargo 21<sup>st</sup> Jan 2023

## Enjoy style that subtle stands out

Quarken Boats is introducing two distinctive and stylish upgrade packages for season 2023. The Quarken 27 Open and T-Top will be available as Version two (V2) with a completely new aft deck layout including new functionalities. The 27 T-Top V2 can further be equipped with an Onyx package for the ultimate eye-catching appearance and the highest possible comfort onboard.

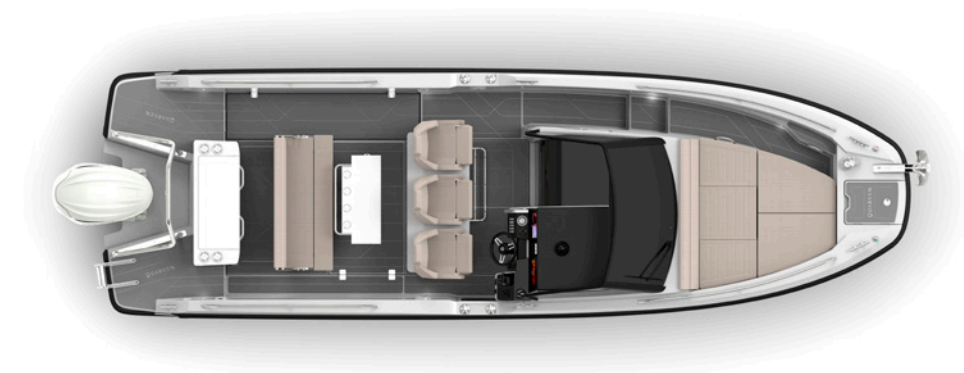

Quarken boat is a superior new boat brand from Finland that made the market introduction with the 27 range in the autumn of 2021. Since that Quarken has been able to deliver boats across four continents and has expanded the dealer network to cover fifteen countries. The global growth will continue during 2023 and completely new boat models in a new size range will make a market introduction within one year.

## Version Two (V2) – comfort and style that speaks for itself

The Version two (V2) is finally here for the Quarken 27 T-Top and Open models. The V2 models are characterized by social zones for lounging and with a capacity for comfortable seating for up to nine people. This is your multifunctional travel partner for different activities at sea and with the possibility to stay overnight and even cook onboard thanks to the outdoor wet bar.

The new modern aft deck layout that is introduced with the V2 is designed with all passengers in mind and with the possibility to enjoy life on the water without needing to drive to the harbour for lunch or the night. The helm offers seating for three persons on comfortable, rotating, and length adjustable seats that can be turned around to enjoy dinner around the aft cockpit table.

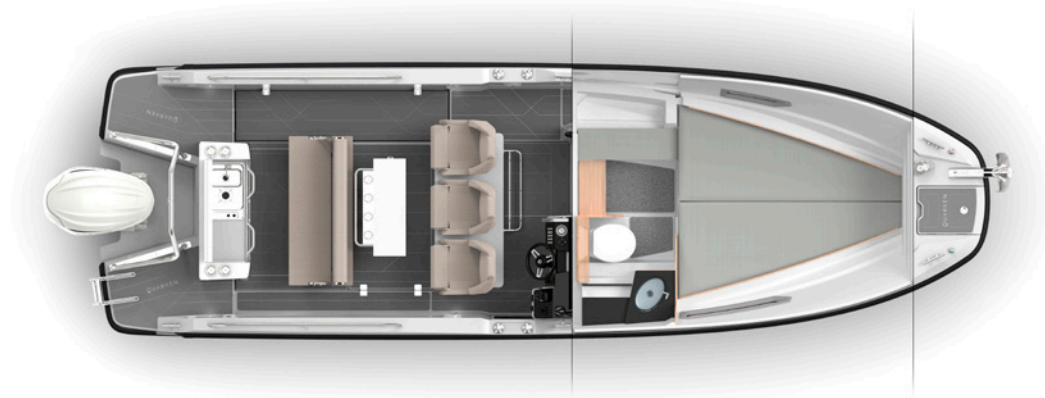

On the opposite side of the table, there is a comfortable aft sofa with a sliding backrest, giving the passengers the possibility to sit in both directions. Under the aft sofa, there is stowage room for cargo and fenders.

In the rear, there is a wet bar with a lid that comes with a built-in hand basin and storage as well as a trash bin. The wet bar can be completed with an optional gas cooker and fresh water.

Keeping in mind that the Quarken 27 T-Top and Open models have a roomy forward cabin, with a large bed that accommodates comfortably two persons and an electrical toilet (optional) as well as generous seating and sunbed in the bow area, it becomes clear that the V2 comes with a full pack of impressive versatility, style, and comfort that are perfectly blended together for the best experience on the water.

## Quarken 27 T-Top V2 Onyx - a real showstopper

If you want to further enhance the looks and style of your Quarken 27 T-Top, you can do just that with the V2 Onyx package. The Onyx is a further upgrade to the V2 and offers ultra-cool looks and an eye-catching appearance wherever you decide to anchor for the day. The boat comes standard with a foiled hull in an elegant carbon fibre color and pattern scheme for a striking and sophisticated silhouette. All railings, water-ski pole, and the sturdy T-Top roof structure are black colored.

The V2 Onyx offers a striking turquoise and white upholstery color scheme with elegant and subtle detailing on all cockpit upholstery. The aft layout is the same with three rotating seats, a table, and a sofa as on the V2 version. The wet bar comes standard with fresh water as well as a transom shower in the aft with the Onyx version.

Enter the helm and experience the sporty style and details that enrich the driving experience. The helm station panels are high gloss to give the helm a luxurious touch and feel. Standard on the boat is also twin Garmin 12" plotters with glass panel installation, Fusion audio with six speakers, wireless charging for the phone, and a 30-liter drawer fridge. The V2 Onyx is available with a suite of helpful features standard such as a bow thruster and automatic trim tabs to guarantee the best possible driving and docking experience.

The T-Top is black painted on the inside to match the bold looks of the boat. In addition, the roof comes with blue-colored Led lightning. Deck lights are also upgraded to blue colored and the Smartdeck comes in light grey color with black stripes to match the character and style onboard.

In addition, with the V2 Onyx you will get the highest comfort in the front cabin as the electrical toilet and fresh water for the sink comes standard. Shore power is a standard to guarantee easy living in harbours when docked.

The 27 T-Top V2 Onyx is extraordinary and sure to turn heads but doesn't make compromises on function and usability; the boat will simply delight everyone onboard.
