## QUARKEN **35** CABIN

PRESS RELEASE Jan 18th, 2024

## WORLD PREMIERE AT BOOT DÜSSELDORF 20-28 JANUARY 2024, HALL 04 / 4B19

Designed and assembled in Finland, the *Quarken 35 Cabin* stands for a premium and sporty experience on the water. Clean, modern, and sophisticated Nordic design combined with a nimble, responsive and fuel-efficient twin-step hull gives a new meaning for riding in style.

*The 35 Cabin is powered by twin Yamaha F300 outboard engines* that will deliver on all your performance needs. This pairing provides a confident, dynamic, and thrilling drive and you can be sure you have a reliable partner for the days when the sea is ruff and choppy.

The helm is ultra-modern and driver focused with optimum seating comfort. The 35 Cabin offers smooth handling and performance with excellent fuel economy. Top speed is 44 knots and the fuel consumption in cruising speed is 3,2 ltr / nautical mile.

The spacious cabin offers panoramic views with great visibility and easy access as well as plenty of room for a functional galley and a dining area. The glass sky window provides a light-flooded atmosphere and sweeping views for your quests.

Customize the aft deck with different modular solutions. Each module is designed with a purpose and when combined will offer several space combinations to unwind and relax. You can choose between an open layout, one or two aft benches or a wet bar unit. Together with the manually opening side terraces you will have a sociable platform for your family and guests. By opening the big rear window and door you can combine the cabin and aft deck into one huge social space. The large sundeck in bow offers additional seating space and is easily accessible from aft.

The center point of the forward cabin is the cozy and comfortable large bed for two adults and a sofa that can be extended to a bed for children. The enclosed toilet compartment equipped with a sink and shower guarantees easy living onboard.

*Performance, design, and style that delights in every detail.*

## DRIVER ORIENTED HELM

The helm is the driver's heaven with a clean and ultra-modern styling. The ergonomics and visibility have been refined to offer a smooth and safe driving experience.

## PANORAMIC CABIN

The spacious cabin offers panoramic views and a two-way opening sliding door on the starboard side. The glass sky window provides a generous sense of space and let the light flood in. A modern adjustable RGB-led lighting will let you change the atmosphere in the cabin in the blink of an eye.

## SMART LIVING

A socializing space can be created by rotating the seats at the helm towards the aft sofa. The cabin is designed so that it's easy to connect it with the space on the aft deck, the rear window and door can be opened to create a combined lounge area.

## SEATING OPTIONS

As standard solution there is a comfortable sofa for two at the driver's position, which can be changed to two sporty seats if preferred.

## **LIGHT, BRIGHT, & AIRY**

The cabin has a stylish and clean approach that seeks to combine smart solutions and practicality. The galley is on the opposite side of the table arrangement, making it easy to serve your guests. Five persons can comfortably sit around the table.

## **NORDIC INTERIOR DESIGN**

The spacious interior is defined by its clear and modern design. High-class materials in a soft and neutral colour palette creates a calm and peaceful atmosphere to relax. Underneath the bed there is a large storage space.

## **ADDITIONAL ACCOMMODATION**

The sofa in the forward cabin can easily be extended to a bed for children. This will give you the possibility to comfortably leave for longer trips making sure your family will have privacy and peaceful nights.

## **ENCLOSED TOILET COMPARTMENT**

The Quarken 35 is equipped with an enclosed toilet compartment that seamlessly follows the same style as the rest of the interior in the forward cabin. The head consists of a toilet, sink, shower unit and a mirror that is installed on the door.

## **YOUR HOME AT SEA**

We all have different needs. Therefore, it's important that you can customize your boat with solutions that best work for you. The aft deck can be equipped in several smart ways.

## **BUILD YOUR SOCIAL SPACE**

Choose between 1-2 bench modules, a wet bar unit and an aft deck table to mention a few. Manually opening side terraces are standard and give additional seating space while anchored.

## FUNCTIONALITY & COMFORT

The cabin table and sofas together with extra cushions converts easily into an extra double berth.

## SO MUCH MORE...

A large sunbed in the bow is a must to be able to maximize the summer days out on the sea.

## ...TO CHOOSE FROM!

In addition, there are so many other functional options to choose from that guarantees that the **Quarken 35 Cabin** will be the Nordic living platform of your dreams.
